

Global Patient Organization and Advocacy Disclosure 2020

Teva works with many organizations that advocate for patients around the world. These efforts are part of our longstanding commitment to support the health and well-being of patients. Patient organizations and advocacy groups have a unique understanding of the needs of people living with medical conditions and how these conditions impact overall health and quality of life. These collaborations offer healthcare companies like ours valuable insights and advice, inspiring .us to discover new possibilities in medicine development and create programs that support patients and caregivers

Our work with patient organizations and advocacy groups is driven by the spirit of partnership, mutual respect, trust, openness and transparency, all with the overarching goal of bringing sustainable health benefits to patients and their families. We are committed to doing our part to promote healthier communities around the world and know partnerships like these are critical to supporting patients on their individual paths to wellness. As with all our interactions, Teva is .committed to working with patient organizations and advocacy groups in an ethical and transparent manner

Teva endorses the IFPMA Code of Practice; the European Federation of Pharmaceutical Industries and Associations (EFPIA); and Medicines for Europe (formally the European Generics Medicines and Biosimilar Association) codes of conduct, which provide standards for honest and transparent relationships between the pharmaceutical industry and patient organizations. In accordance with these codes, Teva discloses annually its relationships with patient organizations and fully complies with all legal and statutory requirements for disclosure of patient group support as a minimum standard in any country. Recognizing the importance of transparency and its role in developing trusted relationships with stakeholders, the public and, more importantly, patients, Teva .voluntarily discloses our support across 60 countries

Of the 60 countries, Teva Pharmaceutical Industries Ltd. confirms there were no patient organization interactions in 2020 in the following 35 countries: Albania, Australia, Bulgaria, Brazil, Chile, China, Cyprus, Denmark, Dutch Antille, Hungary, Hong Kong, India, Indonesia, Japan, Kazakhstan,

Kosovo, Liechtenstein, Luxembourg, Malaysia, Macedonia, Malta, Monaco, Montenegro, New Zealand, Peru, Uruguay, Thailand, Singapore, South Korea, .Spain, Switzerland, Venezuela, Vietnam

Teva Pharmaceutical Industries Ltd. (NYSE and TASE: TEVA) is a global leader in generic medicines, with innovative treatments in select areas, including central nervous system, oncology and respiratory. We deliver quality generic products and medicines in nearly every therapeutic area to address unmet patient needs. We have an established presence in generics, specialty, over-the-counter products and active pharmaceutical ingredients, with a fully integrated R&D function, strong operational base and global infrastructure and scale. We strive to act in a socially and environmentally responsible way. Headquartered in Israel, with production and research facilities around the globe, we employ 40,000 professionals, committed to improving the lives of millions of patients.
